

privacy policy

general

ruwido austria gmbh respects the privacy of every individual who visits our websites. this privacy policy outlines the information ruwido austria gmbh will collect and how we will use that information. this statement also will instruct you on what to do if you do not want your personal information collected or shared when you visit ruwido austria gmbh websites.

individually identifiable information

ruwido austria gmbh will not collect any individually identifiable information about you such as your name, address, telephone number, or email address unless you provide it to us voluntarily.

if you do not want your individually identifiable information collected, please do not submit it to us. if you have already submitted this information and would like us to remove it from our records, please contact us at the email address or phone number listed at the bottom of this policy. we will delete your information from our existing files.

when you do provide us with individually identifiable information, we may use that information in the following ways unless stated otherwise: we may store and process it to better understand your needs and how we can improve our products and services; we may use it to contact you; and we may provide it to third parties.

non-individually identifiable information collected automatically

in some cases, we may collect information about you that is not individually identifiable. examples of this type of information include the type of internet browser you are using, the type of computer operating system you are using and the domain name of the website from which you linked to our site.

information we may place automatically on your computer's hard drive

when you view one of our websites, we may store some information on your computer. this information will be in the form of a cookie or similar file and will help us in many ways. for example, cookies allow us to tailor a website to better match your interests and preferences.

with most internet browsers, you can erase cookies from your computer hard drive, block all cookies, or receive a warning before a cookie is stored. please refer to your browser instructions or help screen to learn more about these functions.

whom to contact

if you have submitted individually identifiable information through a ruwido austria gmbh website and would like that information deleted from our records, please contact us at office@ruwido.com or call us at +43 6216 4571-0. we will delete this information from our existing files.

google analytics

this website uses google analytics, a web analytics service provided by google, inc. ("google"). google analytics uses cookies, which are text files placed on your computer to help the website analyse how visitors use the site. the information generated by the cookie about your use of the website (including an anonymized ip address) will be transmitted to and stored by google on servers in the united states. google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on google's behalf.

google will not associate your ip address with any other data held by google. you may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. by using this website, you consent to the processing of data about you by google in the manner and for the purposes set out above.

you can prevent google's collection and use of data (cookies and ip address) by downloading and installing the browser plug-in available at <https://tools.google.com/dlpage/gaoptout?hl=en>. please note that this website initializes google analytics with the setting "anonymizeip". this guarantees anonymized data collection by masking the last part of your ip address.
